# Wikipedia Edit-a-Thon

Calling all **language** lovers! Wikipedia articles are the top search results for most languages, and yet many of these articles are incomplete. This workshop will give participants the skills to work with Wikipedia with the aim to grow our collective knowledge of **indigenous languages**. Featuring guest speakers from **duolingo**. 

This event is part of a larger **#lingwiki** initiative comprising edit-a-thons at multiple locations in honor of **the UN Year of Indigenous Languages**.

Free pizza and snacks!   Drop in any time.  
No prior Wikipedia experience required.
