INVITATION

to Participate in the 3rd NYC Green School Conference - 2019 and receive Inspiring Green CSR Award- 2019 at New York City, USA

Dear Sir

I am happy to inform you that, Green Mentors is organizing its 3rd NYC Green School Conference - 2019 with association of CLIMATE WEEK NYC - a side event of United Nations General Assembly at New York City , USA on 24th September 2019.

Green Mentors is inviting all Educators, NGOs, Green Enterprises, Teachers, Principals and Directors, Investors, Environmentalist, Architect, Journalist, Policy Makers, Government Officers, CSR Initiatives, Indigenous Community Leaders, Green Technology Developers, Nature Photographers and Artist to participate in the 3rd NYC Green School Conference - 2019.

3rd NYC Green School Conference-2019 is an International 3rd Environmental Academic Event designed to bring together the growing community of Pro-Climate Leaders for learning connecting and collaborating to support the shared Mission of creating sustainable society.

The conference is an opportunity to hear inspirational stories from Inspiring Climate Leaders, Innovators, Achievers and Change Makers, that will inspire the attendees to apply such ideas in their areas of interest.

Green Mentors also wishes to Honor the life, Journey and Contribution of School Leaders, Policy Makers, Green Entrepreneurs and CSR Crusaders for their contribution toward creating a sustainable community.

3RD NYC
GREEN SCHOOL
C O N F E R E N C E
24TH SEPT 2019

We have studied your various CSR initiatives in various parts of Uttarakhand, including the Deen Gaon Project. We have found that the Deen Gaon Project has touched and transformed the life of many people in the region.

The key features of your Deen Gaon Project are offering quality medical services to all, creating employment opportunities for youth, balancing the environment through plantation, empowerment of women through education and livelihood opportunities, preserving indigenous culture in sports through funding cultural and sports activities.

We are well aware that your contribution towards creating a holistic and sustainable society is significant, especially in the Deen Gaon region, and your story can inspire other CSR initiatives worldwide.

Keeping in mind the jury of the Green CSR Award - 2019 has selected SEWA THDC Deen Gaon Project for the Green CSR Award - 2019 for creating a holistic and sustainable society through CSR initiatives.

We are happy to invite you to receive the Green CSR Award - 2019 at the 3rd NYC Green School Conference taking place on 24th September 2019.

I am enclosing the post-conference extended itinerary, that will help you to design your extended trip to USA.

We also host Boston Green Fest - 2019 in Boston, USA, in the month of August 2019, where Green Enterprises showcase their innovation and achievements related to the environment. We will be happy to present your all CSR activities at Boston Green Fest - 2019.

Further details or queries please feel free to call us on +91-99099 13787, +91-92652 62348
