

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

Languages matter

Inclusion

Education

Indigenous languages is a HUMAN RIGHT!

Identifying UNESCO participating schools/colleges

All cultures have a great deal to offer.

Ideas to be implemented with Peruvian AspNet!

Language is the heart of identity

Las prácticas compartidas

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

Language learning and practice can cross over curriculum.

All cultures have a great deal to offer.

Amazing projects are happening! I want to contribute and take action in my community

We need more inclusion of many Indigenous Languages around the world. I speak "Marma" an endangered language from Bangladesh.

A partilha e a importância de conhecermos diversas culturas, a mensagem de que a língua é universal!

All cultures have a great deal to offer.

Diversity of cultures

La importancia de la musica

Indigenous languages for sustainable development

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

Amazing work happening around the world, very inspiring

Great ideas to be shared with my colleagues and friends who are interested in this topic.

Global action

Language is one's Identity

Collaboration across countries, cultures and languages for one common cause

Conférence en classe sur les langues autochtones

Languages are an essential key.

Les langues autochtones sont des richesses à ne pas laisser disparaître!

Language is important as a means of diversity and richness

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

Plus de conférence en classe

Learn your language, teach the world.

excited to see what we can do to make a difference in this decade. Really looking forward to a time when Indigenous languages are safe and healthy.

El conocimiento de lo que se hace nel mundo por preservar las lenguas indigenas...

Language connects us to the past, present & future

العربية ابن هي

We have to appreciate the diversity in languages and work together to protect those who are in the way of disappearing

there are many creative ways to foster indigenous languages - even in contexts that seem difficult at first (e.g. highly endangered languages, need for the use of digital tools) - but this creates new opportunities

Children learn better in their own language

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

We must preserve our native language for the future generations

Les langues assurent la pertinence des travaux effectués en classe

Cours de langue autochtones en classe

Fantastic webinar to knowing and preserv the differents linguages in the world.

In a diverse community, the emphasis is on two dominant languages, with additional recognition while the indigenous heritage includes people who descend from many distinct cultures and language groups. Raising awareness of this mosaic is important.

تونس tunisia

EL EMPODERAMIENTO DIGITAL DE LAS LENGUAS INDIGENAS

Languages are important to cultural exchange and global understanding

languages are a means of communication and develop the pepol and learning

What is your main take-away from the webinar? Que retirez-vous de ce webinaire ? ¿Qué es lo más importante que te llevas de este seminario web?

The importance of the Art for the development for the multiculturalism. In general for diversity.

Communicate with experiences Cooperat

التواصل مع الخبرات المتعددة التعاون

Escucharnos, reconectarnos y entender las diferentes formas que las esucelas u organizaciones impulsamos y creamos espacios inclusivos desde los idiomas de los pueblos originarios/indígenas.

Share your ideas on how you can take action to contribute to IDIL in your local context or school?

Diversity

Research the IDIL website and social media pages

Mais partilhas de histórias de culturas

More empowerment in the field level to encourage young generation to learn their own languages besides dominant languages.

Share with them the webinar.

M

organizing projects and activities with the schools of different districts

Favoriser les échanges linguistiques et culturelles entre les peuples autochtones et les peuples "colonisateurs".

Include indigenous languages in agendas & events

Share your ideas on how you can take action to contribute to IDIL in your local context or school?

make people aware of IDIL and invite them to share their events

I can document content in my indigenous language and other low resource languages using digital tools.

Find simple, engaging and creative ways to expose all students to indigenous language. Our job as educators is to ignite the spark of interest in learning more about indigenous languages and culture around the world.

Learn about indigenous languages and understand the peoples of the world.

Use drama in teaching languages

معسكر عن التواصل باليات مختلفة مع الحفاظ على اللغة الاصلية
